To all contractors:

Local 350 will be holding an NBOPE continuing education class that meets the requirements of the City of Reno ordinance requiring NBOPE certification for journeymen working within its jurisdiction.

Classes will be taught by Billie Gregory and held here at the training center October 4th, October 6th and October 11th from 5:30 p.m. to 8:30 p.m.

Attendance for all times listed is mandatory to receive certificate of completion that will then need to be sent to NBOPE/NITC to receive a 3 year extension on your certification.

Applications will be handed out the 3rd night of class with the certificate for individuals to send in to NITC along with the \$30.00 fee to get their 3 year renewal.

Please call the training center at 359-2229 to be put on the list as space may be come limited and we need to know how many attendees in advance. Last day of registration is Monday, October 3, 2016.

2012 UPC books will be mandatory for the class and may be ordered through the J.A.T.C. for a cost of \$94.00 and must be paid for in advance.

Sincerely,
