All services and all providers listed in this directory may not be covered under your health care plan. You must consult your health care plan description to determine what providers and services are covered. Failure to do so before incurring medical expenses may result in your not being reimbursed for certain medical expenses. This is a directory of preferred providers participating as independent contractors to the Trust Fund. This list is subject to change without notice. Every effort has been made to obtain and print correct information in this directory; however, the Trust Fund will not be responsible for inadvertent errors or omissions.

PLEASE READ CAREFULLY

We are very pleased to have added many new providers to your Preferred Provider Directory. With more preferred providers available, you can now save yourself and your Trust Fund even more money by selecting preferred providers whenever you need medical, dental or vision care.

REMEMBER – Your Network is in a constant state of change. New Providers may enter the Network. Currently listed providers may no longer participate. Before services are rendered, please verify Preferred Provider status by calling the Healthcare Services Department at your Trust Fund Office, (775) 826-7200, before making an appointment with a provider you have not seen before or to verify that a current PPO contract is in effect. It is your responsibility to verify that your choice of provider and/or location of office/facility are in fact a Preferred Provider. Failure to do so may result in reduced benefits and higher out-of-pocket expense to you.

Just because a specialist is listed in your Directory, does not mean that all services provided are covered benefits. **READ YOUR BENEFIT BOOK CAREFULLY.** If you do not understand it or are uncertain if a service is a covered benefit, call the Trust Fund Office for assistance.

PRESCRIPTIONS – Whenever possible use PPO pharmacies and always show your ID card when filling prescriptions. To file a prescription claim, please tape prescription receipts in date order on a blank piece of paper and then attach to a completed claim form. You must use a separate claim form for each family member. *Our mail department THANKS YOU!*

PRE-CERTIFICATION – When obtaining any of the following types of care or treatment; it is strongly recommended that your provider contact the Trust Fund Office to obtain a pre-certification and to confirm that the facility or other health care provider is a preferred provider:

- ❖ **Hospital Admissions:**
- ❖ **Same-day surgeries**(unless done in a physician’s office):
- ❖ **Outpatient radiology testing:** MRI’s, MRA’s, CT Scans, PET Scans, DEXA Scans
- ❖ **Any biopsy** (done in an outpatient setting)
- ❖ **Paracentesis/Thoracentesis**
- ❖ **Inpatient treatment** for alcohol or substance dependency
- ❖ **Inpatient treatment** for mental/nervous conditions
- ❖ **Home Health Care / Home I.V. Therapy**
- ❖ **Chemotherapy and Radiation Treatments**

Notification is recommended for the following types of care:

- ❖ **Medical Equipment:** Purchase or Rental

Under this Plan, prior approval of services is NOT REQUIRED and benefits will not be reduced if pre-certification is not obtained. Pre-certification confirms the medical necessity for the medical services; however, DOES NOT guarantee that the claim will be paid by the Plan.

PPO Directory 2015 - 2016

Please be aware that your Network is in a constant state of change.

Call the HealthCare Services Department at the Trust Fund Office **(775) 826-7200**, before making an appointment with a provider you have not seen before or to verify that a current PPO contract is still in effect. The Trust Fund office will advise you of current information on file.

All services and all providers listed in this directory may not be covered under your health care plan. Even though your physician may recommend a service or that you see another provider does not necessarily mean the service or the other provider is covered by your health care plan. You must consult your health care plan description to determine what providers and services are covered. Failure to do so before incurring medical expenses may result in you not being reimbursed or being reimbursed at a lower rate.

This is a directory of preferred providers participating as independent contractors to the Trust Fund. This list is subject to change without notice. Every effort has been made to obtain and print correct information in this directory; however the Trust fund will not be held responsible for inadvertent errors or omissions.
