To: All Plan Participants under the U.A. Local 350 Plumbers & Pipefitters Health & Welfare Trust Fund

Dear Participants, Spouses and Dependents:

The Washoe County Regional Information Center is asking Washoe County residents 65-years-old and older to sign up and be placed on a waiting list to receive the COVID-19 vaccine.

They said the limited supply of the vaccine in Washoe County makes it impossible to vaccinate every Washoe County resident 65-years-old and older right away, but plans are in place to randomly select those on the waiting list as it becomes available.

Seniors 65-years-old and older can sign up by filling out a form at the link below:
form <https://washoecountynv.seamlessdocs.com/f/SeniorCovid19Vaccine>

You can also call Washoe County Regional Information Center (775) 328-2427 to sign up. Officials strongly suggest filling out the form online if possible, but they understand not every resident has access to email.

PLEASE NOTE: Anyone can sign up to be on the waiting lists.

You can also check online or call your local grocery or pharmacy to sign up. Below are a few links:

For everyone else, more information will be provided as it becomes available. Each county in Nevada sets its own rules; please review your counties guidance in relation to COVID-19 vaccinations and the order they will be administered.

If you have any questions, you may call the Administrative Office at (775) 826-7200 or Toll Free at (877) 826-5053.

Sincerely,

Board of Trustees
