Dear Sir & Brother:

There will be a **mandatory** annuity investment counseling meeting with our investment consultant, Mike Fleiner, here at the training center **for all new apprentices and anyone who missed the last presentation** on:

Monday
July 25, 2016
5:30 p.m. to 6:30 p.m.

All Local 350 members are invited!

Mike will give a presentation on strategies for investing your 401(A) portion of Local 350's retirement plan and answer any questions associated with it. Spouses are welcome to attend.

He will have updated information as well, so it will be beneficial for anyone, even if you have attended his presentations in the past

Fraternally,

Randy L. Canale
Training Coordinator
